

Tessa Jowell Academy *for paediatrics*

**Launching
2025**

**Are you a healthcare
professional working in
neuro-oncology?**

The Tessa Jowell Brain Cancer Mission is launching a free, national digital learning & networking platform for paediatric brain cancer professionals to share excellence in treatment, care and research

A partnership between

Tessa Jowell
BRAIN CANCER MISSION

CCLG

**The Children &
Young People's
Cancer Association**

Free resources and training opportunities, for and by the paediatric neuro-oncology community

Open to all paediatric brain cancer professionals including: oncologists, nurses, neurosurgeons, occupational therapists, neuropsychologists, therapy assistants, pathologists, radiographers, radiologists, physiotherapists, speech and language therapists, and more...
